To Whom It May Concern: **ALBANIAN FESTIVAL XII**

We hope this letter finds you well. On behalf of the St. Mary's family we gratefully acknowledge your support of Albanian Festival XII. Because of you and other generous supporters inside and outside our community, Albanian Festival XII was financially the most successful Festival our church has put on since Albanian Festival I in 1983 and Albanian Festival IX in 1999. Besides being a financial success, the Festival once again allowed St. Mary's to display our cultural and religious heritage to the people of Central Massachusetts, also showed that our community is always together.

Thank you again for your support. May St. Mary bless you - Shen Marise ju qofte ndime!
