Seminary? Me?

Come and see *where saints have walked and studied,*
where pastors come from and leaders have been formed

All are Welcome!

Whether you're considering attending seminary or have never visited one, you are invited this December! His Grace, Bishop Nikodhim, will be traveling to both St. Tikhon's and St. Vladimir's seminaries, and he invites you to consider coming along.

Get on the List

Travel details are still forthcoming for that first week of December, but please follow the link or QR code and get your name on the list
